

Why do you need my money?

BECAUSE FIGHTING FOR REALTORS® AND PROPERTY RIGHTS IS A CONSTANT BATTLE!

- **Keeping Your Business Open**

While many other states shut down or severely restricted the practice of real estate during the COVID 19 Pandemic, you were able to work every minute of every day because Virginia REALTORS® fought to keep you open for business. And we won! You were able to continue doing business uninterrupted in 2020 and 2021, which led to record sales volume in Virginia.

- **REALTOR® Health Insurance Options**

After more than three years of effort, we passed a new law that will allow us to move forward in our efforts to explore more affordable health insurance options for members of Virginia REALTORS®.

- **Protecting Housing Providers**

In 2022, a legislator introduced the first-ever rent control bill in Virginia history. Virginia REALTORS® worked with a bi-partisan group of legislators to defeat it and other legislation that hurt housing providers.

- **Solutions for New Housing Inventory**

Virginia REALTORS® is working with home builders and other stakeholders to find practical solutions to increase housing inventory in Virginia.

PARTISAN? NOPE.

Contributions to Virginia REALTORS® RPAC are voluntary and are used for political purposes; they are not deductible for federal or state income tax purposes. Members may contribute more or less than the suggested amount and may refuse to contribute without reprisal. The National Association of REALTORS® or any of its state associations or local boards will not favor or disfavor any member because of the amount contributed. NAR has established state Federal RPAC Disbursement Allocations based on anticipated National RPAC needs. Thirty percent of all Major Investor contributions are sent to NAR to be applied to the Federal RPAC Disbursement Allocation and are charged against the limits under 52 U.S.C. 30116 with the remaining seventy percent maintained for state and local usage. Decisions regarding Virginia REALTORS® RPAC contributions to meet the Federal RPAC Disbursement Allocation will be made throughout the fundraising year. The contributor certifies that they are at least 18 years old and are making this contribution with their own personal funds- not those of another person or entity, nor are they a foreign national or federal contractor.

Numbers based off 2022 approved funding.
